# About Us

Our organization consists of a staff of professionals waiting to assist you. Since our startup in 2004 we have been able to maintain a portfolio of satisfied clients, whom every time deposit more confidence into our organization. Even though we are a small company, we have been able to earn the respect of larger organizations here in Curacao. We are a young and dynamic team, highly motivated and focused on you and your organization.

# Our Company

“We are focused on developing a long lasting relationship with our customers by providing, customer-centered, timely, qualitative and cost effective, services to our customers”

## Vision

To be respected by our customers and recognized by all the local professionals involved in financial administrative services, fiscal services and management support as a key player in the local market.

## Mission

Our main purpose within IFB Consulting is to offer our customers the most consistent service (financial administrative services, fiscal services and management support) on a timely basis while adding value to their organizations with the lowest possible level of error while showing our clients the highest interest in finding solutions to their problems.

We will maintain a high level of communication with both our internal and external customers.

Additionally, we know that each person operating in IFB Consulting represents the organization, and must therefor be exemplary at all times with the highest ethical principles.
